SMARTLIFT® DELIVERS!

From every angle, we've designed SmartLift® to help you get the most from your service facility - maximum productivity, minimum downtime, a clean shop appearance and peace of mind **from a partner you can trust!**

SEE WHAT SOME OF OUR SATISFIED CUSTOMERS SAY ABOUT OUR PROVEN PERFORMANCE ...

"My technicians find the SmartLift® easy to use, and it helps them get their jobs done faster. In my 35-year career, I have used many different types of lifts and I would say Rotary Lift is the #1 brand in the world."

- Gary Alfreds, Mike Shaw Toyota

"It's the best lift I've ever used. It's quicker, it's more efficient, and it operates very smoothly. The technicians love these lifts. I wouldn't even consider putting anything else in."

- Gene Byrd, Fixed Operations Director
Ed Morse Automotive Group

"Every technician who uses the Shockwave-equipped lift loves it. It's a lot easier to rack the vehicles and they love the speed: It goes up a lot quicker and comes down faster, too."

- Chris Musselman, Service Manger, Bush Auto Place

"The SmartLifts are phenomenal. We have 46 of them and we are very happy with their performance. My first choice is always Rotary Lift."

- Dana Caldwell, Peter Pan BMW

"The SmartLifts are great! We have had no downtime at all."

- Tony Salvemini, Volvo of Tuscon
