15,000 LB. 4-POST LIFT

4115 MODEL*

**NEW WIDER
RUNWAYS**

THE 4115 EXPERIENCE

Designed with productivity and safety in mind, our newly improved 15,000 lb 4-Post Lift would be a great addition to any shop floor. With several configurations available, you're sure to find the lift to meet your needs.

Increase your customer base with this lift as it can accommodate

and service a wide range of vehicles. Anything from a small passenger car to a medium-duty truck, and even medium-sized vans. All while boosting workplace safety with our open front design, assisting technicians moving around a vehicle's frame.

4-Post Flat Deck General Service and Alignment Rack
Package 15,000 Lb. capacity

CHALLENGERLIFTS.COM

CL Challenger Lifts

FEATURES & BENEFITS:

- All-new and wider 22" runways.
- Open and closed front design for **better ergonomics**, allowing **easy access to adjustment points** on both standard or long length runway racks.
- Improved 4-wheel alignment wheelbase for extended alignment capabilities allowing you to **service both long and short wheelbase vehicles**.
- Louvered approach ramps prevent wheelspin and are more effective than diamond tread or abrasive strips.
- Keep your shop looking **stylish & clean** with our new and improved all enclosed front column and crossbeam design. Expect a **longer and smoother operational life** with our UHMW internally encapsulated slide block.
- Compatible with the industry's latest imaging alignment systems.
- 17 locking positions with improved lock design.
- *Optional Alignment kit includes: rolling jacks, internal airline system, & stainless steel turn plates*
